Reference your letter in connection with the above, which was received on 25 June 2020, the matter has been considered and OBJECTION is raised for the following reasons:

1. Basingstoke and Deane Borough Council (BDBC) object to the planning application as having reviewed the information submitted it is considered that the proposed development would have an adverse visual impact on the landscape from within Basingstoke and Deane District.
2. If the application is considered acceptable by Hampshire County Council then BDBC support the conditions suggested in the HCC Highways response.
