Dear Ms Kirby-Hawkes

**T&CP (Development Management Procedure) (England) Order 2015  
& Planning (Listed Buildings & Conservation Areas) Regulations 1990**

**ALTON MATERIALS RECOVERY FACILITY, A31, ALTON , GU34 4JD  
Application No. 33619/007**

Thank you for your letter of 19 October 2021 regarding further information on the above application for planning permission. On the basis of this information, we do not wish to offer any comments. We suggest that you seek the views of your specialist conservation and archaeological advisers, as relevant.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.

However, we would like to draw your attention to our letter to Mr Sam Dubrell dated 10 June 2021 which raised concerns regarding the proposals. We believe these have not been addressed as yet.

Yours sincerely

Louise
